

# RCC 2024 CYCLOCROSS

## **CX COMMITTEE**

We increased the # female committee members to 3 of 7 (Alyssa, Janelle, Megan) to bring a more balanced perspective and fresh ideas to CX planning.

## **MON / WED RACES**

We moved to a weekly Mon / Wed evening format, enabling us to offer more races during a short season, better accommodate weather related cancelations, and keep our weekends free.

## **PROVINCIALS**

We hosted SK CX Provincials (54 racers). Thirty-seven racers (62%) were from outside Regina. Science Centre course got rave reviews.

## **RCC vs ORS**

We hosted a new RCC / ORS CX Challenge race pitting RCC and ORS racers against each other. It was our highest attended club race (34 racers) and resulted in a narrow win for ORS.

## **CITY AND HS CHAMPS**

We brought back the Regina City CX Champs and added a first ever HS Champs in mid-October.

## **KEY CLUB RACE STATS**

- Eleven weekday club races (avg of 27 racers).
- Sixty unique racers in weekday club races.
- Twenty-two percent of racers were female.
